

Rajesh Kasula

Dot NET developer

Passionate and hardworking individual with more than a year of experience as a dot net developer. I am looking for a job as a junior dot net developer. I am comfortable joining as a entry level as well. My long term goal is to develop skills and knowledge as a full-stack dot net developer and achieve a title of a senior dot net developer one day. I have been taking courses as well to enhance my skills on .NET and be proficient on it.
